Dear Mr. Couch

As a resident of Butte County, CA, I ask the Department of Water Resources not to fund nor partially fund the Sacramento Valley Integrated Regional Water Management Implementation Proposal (SVIRWM).

THE SVIRWM DOES NOT REPRESENT THE INTERESTS OF BUTTE COUNTY AND IS NOT A TRUE REGIONAL PLAN. IT FAILS TO PROVIDE AN ACCURATE ASSESSMENT OF EXISTING CONDITIONS OF THE AQUIFER, SURFACE AND SUBSURFACE HYDROLOGIC FLOW PROCESSES. UNTIL THESE ANALYSES ARE CONDUCTED, FUNDING THE PRELIMINARY PROJECTS IS PREMATURE.

Sincerely,
Carolyn Dorn
